J. Packing and Shipping Hints

(a) If shipping your entries, carefully place them in a sturdy box. Line the inside of your carton with a plastic trash bag. Partition and pack each bottle with adequate packaging material. Do not over pack! Write clearly: "Fragile. This Side Up." on the package. Every reasonable effort will be made to contact entrants whose bottles have broken to make arrangements for sending replacement bottles. Please refrain from using packing "peanuts" if possible. Use bubble wrap or newspaper instead.

(b) It is not against any Bureau of Alcohol, Tobacco and Firearms regulations or federal laws to ship your entries via a privately owned shipping company for analytical purposes. However, it is illegal to ship alcoholic beverages via the U.S. Postal Service. Private shipping companies may refuse your shipment if they are informed that the package contains glass or alcoholic beverages
